

**Celebrate a Fresh Start!**

Fireworks go off at midnight on January 1st to signify the start of a new year across the world. The New Year can mean a fresh start for many by creating a positive goal to focus on for the year. Listen to the song, "Up & Up" by Coldplay and think about the lyrics and the rhythm of the song. Listening to music can help center your focus and be a source of inspiration. After listening, write how you will make a fresh start this New Year and celebrate your new focus with your own set of fireworks! Bring a positive outlook to your New Year's celebration!
